**A. The following is added to Section IV – Conditions:
Expanded Coverage Territory**

1. If a "suit" is brought in a part of the "coverage territory" that is outside the United States of America (including its territories and possessions), Puerto Rico or Canada, and we are prevented by law, or otherwise, from defending the insured, the insured will initiate a defense of the "suit". We will reimburse the insured under Supplementary Payments, for any reasonable and necessary expenses incurred for the defense of a "suit" seeking damages to which this insurance applies, that we would have paid had we been able to exercise our right and duty to defend.

If the insured becomes legally obligated to pay sums because of damages to which this insurance applies in a part of the "coverage territory" that is outside the United States of America (including its territories and possessions), Puerto Rico or Canada, and we are prevented by law, or otherwise, from paying such sums on the insured's behalf, we will reimburse the insured for such sums.

2. All payments or reimbursements we make for damages because of judgments or settlements will be made in U.S. currency at the prevailing exchange rate at the time the insured became legally obligated to pay such sums. All payments or reimbursements we make for expenses under Supplementary Payments will be made in U.S. currency at the prevailing exchange rate at the time the expenses were incurred.
3. Any disputes between you and us as to whether there is coverage under this policy must be filed in the courts of the United States of America (including its territories and possessions), Puerto Rico or Canada.
4. The insured must fully maintain any coverage required by law, regulation or other governmental authority during the policy period, except for reduction of the aggregate limits due to payments of claims, judgments or settlements.
Failure to maintain such coverage required by law, regulation or other governmental authority will not invalidate this insurance. However, this insurance will apply as if the required coverage by law, regulation or other governmental authority was in full effect.

B. The following is added to Paragraph 4.b.(1) under the **Conditions** section:

4. Other Insurance

b. Excess Insurance

This insurance is excess over:

- (c) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i) If the insured's liability to pay damages is determined in a "suit" brought outside the United States of America (including its territories and possessions), Puerto Rico or Canada; or
 - (ii) That is coverage required by law, regulation or other governmental authority in a part of the "coverage territory" that is outside the United States of America (including its territories and possessions), Puerto Rico or Canada.

C. The definition of "coverage territory" in the **Definitions** section is replaced by the following:

"Coverage territory" means:

- a. The United States of America (including its territories and possessions), Puerto Rico and Canada and any other country specified in the Schedule of this endorsement;

b. International waters or airspace, but only if the injury or damage occurs in the course of travel or transportation between any places included in a. above; or

c. All other parts of the world if the injury or damage arises out of:

- (1) Goods or products made or sold by you in the territory described in a. above;
- (2) The activities of a person whose home is in the territory described in a. above, but who is away for a short time on your business; or
- (3) "Personal and advertising injury" offenses that take place through the Internet or similar electronic means of communication;

provided the insured's responsibility to pay damages is determined in a "suit" on the merits, in the territory described in a. above or in a settlement we agree to.
