

**OREGON MUTUAL INSURANCE COMPANY  
CALENDAR DATE OR TIME FAILURE EXCLUSION**

H037 (1-99)

The following exclusions apply only to the **business** described in any of the following endorsements:

Business Activities

Incidental Business Occupancy - Insured Premises

Incidental Farming

Office, Professional, Private School or Studio Use on the Insured Premises, or on Other Premises

**Calendar Date or Time Failure** - Personal Liability and Medical Payments to Others do not apply to **bodily injury** or **property damage** resulting from any real or alleged failure or deficiency, arising directly or indirectly out of:

1. any electronic data processing equipment, computer program, hardware, software, operating system, networks, chips or electronic parts, media, or data to correctly recognize, interpret, accept, or process any encoded, abbreviated, or encrypted date or time;
2. other products, services or functions that use or rely on products described in number 1. above; or
3. the conduct or omission of anyone who advises, designs, evaluates, inspects, installs, maintains, repairs, restores or directs others to test, determine, or remedy, actual or potential problems described in number 1. above.

The exclusions mentioned above do not apply to **bodily injury** occurring on:

1. the residence premises; or
2. any other premises from which the **business** is being conducted, provided such **business** location is described as being covered by an endorsement listed above.

All other provisions of this policy apply.
