

**OREGON MUTUAL INSURANCE COMPANY
USE OF LIVESTOCK OR OTHER ANIMALS EXCLUSION**

M2812U (7-07)

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the following:

COMMERCIAL LIABILITY UMBRELLA COVERAGE FORM

"Bodily injury" or "property damage" arising out of:

- (1) The use of any livestock or other animal in, or while in practice or preparation for, a prearranged racing, speed or strength contest, or prearranged stunting activity. But this exclusion, applies only to "occurrences", arising out of such contests or activities that take place at the site designated for the contest or activity; or
- (2) The use of any livestock or other animal, with or without an accessory vehicle, for providing rides to any person for a fee or for providing rides in connection with or during a fair, charitable function or similar type of event.

This exclusion does not apply to the extent that valid "underlying insurance" for the use of livestock or other animal liability risks described above exists or would have existed but for the exhaustion of underlying limits for "bodily injury" and "property damage". Coverage provided will follow the provisions, exclusions and limitations of the "underlying insurance".
